

**A REPORT SUBMITTED TO THE MOUNTAIN OF THE LORD CHRISTIAN
MISSIONS**

BREAKFAST WITH THE WORD; SNACK WITH THE WORD

‘Breakfast with the word’ is an outreach programme that is in obedience to the great commission in Matthew 28:18 which declares that we go into the world to preach the good news that Jesus is the Saviour of the world, and in consonance with the ethos of the Missions that the mountain of the Lord shall be established on the top of the mountains and shall be exalted above the hills and the people shall flow into it.

The team, on direction from God, is embarking on a mission to reach all the public and private Primary and Junior High School children with the word of God and identify needy children who require assistance and support in accordance with the word of God.

Through the help of the Asokwa Municipal Authority, schools were identified and on the 13th of March, 2024, a team was dispatched to Dompouse M/A Primary B school, where the upper primary pupils from Classes four (4) to six (6), after a worship session, were given the word of God on which life can be built. The children were admonished on Ephesians 1:4 which states; He chose us in Himself to be holy even before the foundation of the world and in Luke 2:52; Jesus grew both in body and in wisdom, gaining favour with God and with man.

The pupils who were two hundred and fifty in number (250) after the nourishment of the word for the soul, were given snacks as food for the body and taste buds to the glory of God. To the glory of God, the breakfast with the word was outstanding and we pray for more grace to do exploits.
